# Invitation

Hello and greetings from IRIA West Bengal Chapter!

West Bengal Branch of IRIA has been organising online webinars for the last few months successfully, with whole-hearted participation from radiologists and students. By now, the COVID-19 pandemic has made webinars and online conferences the norm.

We are pleased to inform you that IRIA West Bengal Branch is going to organise its 76th Annual State Conference (VIRTUAL) on 11th and 12th December 2021. This is the second Virtual Annual State Conference organised by us. It will be hosted on state of the art platforms with eminent national and overseas faculty, covering topics focusing mainly on cross sectional imaging.

This will be an exceptional academic feast, and like last year, plenty of delegates will be joining from the whole country and from abroad. Your participation will be solicited to make the event a grand success!! Post graduate students are also invited to send in e-posters for the competitive session during the conference. Invitations and guidelines for e-posters have been sent separately.

Please block the dates and register at the earliest! Programme details are given below.

Thanks & regards,

Dr. Samiran Samanta  
**Organising President**

Dr. Gautam Niyogi  
**Organising Secretary**

Dr. Tarun Kumar Roy  
**Organising Treasurer**

**From Academic Committee**

Dr. Mrinal Kanti Ghosh

Dr. Saugata Sen

Dr. Priya Ghosh
